Hi Gary
Let's talk about it when we meet. I suggest you reply to Udi that we will look into it in the coming week or after we get answer re GC.
I've also approached re New(updated)NSO sort of idea.
I need windows on your schedule for 14-18 Oct. for meetings(us,with others).
On other issue, follow the pressure on LME for transparency. I wonder what kind of opps this creates.
